

# Student Evaluation of *Introduction to American Politics*

*Average Overall Student Class Rating: 5.0/5*

- ❖ “Really knew the material.”
- ❖ “Jakob Miller was a great teacher. He is genuinely interested in his work, and is way more than willing to help out any student when they needed help. He is very educated and takes lectures very serious. Overall, excellent.”
- ❖ “Jakob goes out of his way to help you understand what you are having a hard time with in class. He genuinely seems to care that you understand the subject. He is very approachable and doesn't make you feel bad about not understanding the material. It can be hard to find teachers that go out of their way like Jakob does.”
- ❖ “I’ve learned A LOT about the American Political System...easy to listen to, and educated me on topics I had no clue existed. His presentation skills/ability to communicate are superb. I also liked how open and honest he was about the American political system. I am now able to form a stronger, more educated stance on politics - I really appreciate that.”
- ❖ “Learning how the American Political system actually works was fascinating. He made me want to take more political science courses in the future. “
- ❖ “He gives you a better understanding of how the government and the people interact.”
- ❖ “It is very much appreciated and helpful to have an instructor who takes the time to help you understand the material outside of class. “
